**Subject: Listing of AQura GmbH as validated supplier**

Dear Dr. Schneider,

Based on the information available on your laboratory, we have the pleasure to inform you that AQura GmbH has been validated as supplier for the following measurement group:

**Characterisation studies**

- particle size analysis by means of TEM
- particle size analysis by means of DLS
- particle size analysis by means of laser diffraction

Please do not hesitate to contact us for any further information.

Best regards,

Yours sincerely,

Dr. Robert Koeber  
Quality Manager Reference Materials Unit
